

CURRICULAR MAP

DENTISTRY

•• LEVELS OF ACHIEVEMENT ■■■■■■■■ 1 = BEGINNER ■■■■■■■■ 2 = INTERMEDIATE ■■■■■■■■ 3 = ADVANCED

•• CORE CREDITS 35 •• MANDATORY PROGRAM CREDITS 160 •• ELECTIVE CREDITS 15

COURSE NAME	CREDITS	COURSE TYPE	CORE COMPETENCIES										SPECIFIC COMPETENCIES										REQUIREMENTS
			Written Communication	Oral Communication	Critical Thinking	Quantitative Reasoning	Information Literacy	Citizenship	Innovative Thinking	Clinical Practice - Diagnosis	Clinical Practice - Treatment	Clinical Practice - Prevention	Public Health Practice - Structural Diagnosis/Intervention	Public Health Practice - Public Health Professionalism	Ethical and Legal Standards	Professionalism	Professionalism - Leadership and Research	Management					
TERM 1 CRD 20																							
Scientific Information Search and Management	1	CORE																				Does not have requirements	
Scientific Reasoning	4	CORE																				Does not have requirements	
Biological Processes 1	3	CORE																				Does not have requirements	
Structure and Functions	4	PROGRAM																				Does not have requirements	
Fundamentals of Dentistry 1	3	PROGRAM																				Does not have requirements	
TERM 2 CRD 23																							
Quantitative Reasoning	5	CORE																				ME108 Scientific Information Search and Management	
Personal Leadership	2	CORE																				Does not have requirements	
Human and Social Development	3	CORE																				Does not have requirements	
Biological Processes 2	5	PROGRAM																				ME128 Biological Processes 1	
Stomatognathic System 1	4	PROGRAM																				ME129 Structure and Functions	
Fundamentals of Dentistry 2	3	PROGRAM																				OD195 Fundamentals of Dentistry 1	
TERM 3 CRD 21																							
Communication	4	CORE																				Does not have requirements	
Lifestyles, Environment and Health	4	CORE																				Does not have requirements	
Aggression and Defense	2	PROGRAM																				OD159 Biological Processes 2	
Stomatognathic System 2	4	PROGRAM																				OD160 Stomatognathic System 1	
Introduction to Dental Diagnosis	6	PROGRAM																				OD123 Fundamentals of Dentistry 2	
Elective	1	ELECTIVE																				-	
TERM 4 CRD 23																							
Ethics and Professionalism	4	CORE																				Does not have requirements	
Nutrition and Metabolism	3	PROGRAM																				ME142 Aggression and Defense	
Systemic Clinical-Pathological Integration	8	PROGRAM																				OD161 Stomatognathic System 2	
Public Health	3	PROGRAM																				Does not have requirements	
Preclinic Dentistry Practice 1	3	PROGRAM																				OD162 Introduction to Dental Diagnosis	
Elective	2	ELECTIVE																				-	
TERM 5 CRD 23																							
Integrated Therapeutics	3	PROGRAM																				NU135 Nutrition and Metabolism	
Oral Clinical-Pathological Integration	4	PROGRAM																				OD164 Systemic Clinical-Pathological Integration	
Preclinic Dentistry Practice 2	3	PROGRAM																				OD168 Preclinic Dentistry Practice 1 and simultaneously with OD169 Comprehensive Clinic 1	
Comprehensive Clinic 1	11	PROGRAM																				OD168 Preclinic Dentistry Practice 1 and simultaneously with OD167 Preclinic Dentistry Practice 2	
Elective	2	ELECTIVE																				-	
TERM 6 CRD 25																							
Dental Practice Management	2	PROGRAM																				OD169 Comprehensive Clinic 1	
Epidemiology	4	PROGRAM																				NU145 Public Health	
Dental Laboratory 1	3	PROGRAM																				OD166 Oral Clinical-Pathological Integration and simultaneously with OD174 Comprehensive Clinic 2 and OD201 Preclinic Dentistry Practice 3	
Preclinic Dentistry Practice 3	3	PROGRAM																				OD167 Preclinic Dentistry Practice 2 and simultaneously with OD174 Comprehensive Clinic 2 and OD172 Dental Laboratory 1	
Comprehensive Clinic 2	13	PROGRAM																				OD169 Comprehensive Clinic 1 and simultaneously with OD172 Dental Laboratory 1 and OD201 Preclinic Dentistry Practice 3	
TERM 7 CRD 20																							
Entrepreneurship 1	2	PROGRAM																				OD170 Dental Practice Management	
Dental Laboratory 2	3	PROGRAM																				OD172 Dental Laboratory 1 and simultaneously with OD177 Comprehensive Clinic 3	
Comprehensive Clinic 3	15	PROGRAM																				OD174 Comprehensive Clinic 2 and simultaneously with OD176 Dental Laboratory 2	
TERM 8 CRD 20																							
Entrepreneurship 2	2	PROGRAM																				OD175 Entrepreneurship 1	
Scientific Research Methodology	3	PROGRAM																				Simultaneously with OD180 Comprehensive Clinic 4	
Comprehensive Clinic 4	15	PROGRAM																				OD177 Comprehensive Clinic 3	
TERM 9 CRD 16																							
Community Dentistry	2	PROGRAM																				OD171 Epidemiology	
Thesis Project 1	4	PROGRAM																				OD179 Scientific Research Methodology	
Integrating Seminar 1	2	PROGRAM																				Simultaneously with OD184 Clinical Internship	
Clinical Internship	8	PROGRAM																				Simultaneously with OD183 Integrating Seminar 1	
TERM 10 CRD 19																							
Community Internship	4	PROGRAM																				OD181 Community Dentistry	
Thesis Project 2	4	PROGRAM																				OD182 Thesis Project 1	
Integrating Seminar 2	1	PROGRAM																				OD183 Integrating Seminar 1	
Elective	3	ELECTIVE																				-	
Elective	7	ELECTIVE																				-
